1893 THE SILVER PLATFORM.

The silver wing of the Republi can State Convention unanimous-

ly adopted the "hi wing platform: The correction enderses and adopts the platform of the Republicas State Convention, held at Va city on the 30 of April last, as follows;

Resolved, That we condemn the Republican party of the Eastern states and the administration of President Harrison, insofar as they have failed to ac omplish the comrlete remone ization of silver, and to east laws providing for the free and unrestricted coinage of

that metal. Resolved, That the restoration of silver to the place it occupied previous to the passage of the Mint Act of 1873, is essential to the prosperity of the country and paramount to all other political considerations. The legislation which robbed silver of its money functions and denied to the owner of sliver bullion the right to have the same coined into money upon the some terms and conditions which apply to the c inage of gold, reduced the money of ultimate redemption or rayment, about onehalf, and enabled the owners of money and obligations payable in money to monopolize the coin of

Resolved, That the people of Nevada are in favor of the coinage of silver upon the same conditions which apply to the coinage of gold, and they are opposed to elevating any person to office who is not known to be unequivocally in favor of opening the Mints of the United States to the free and THE EEST BEER THAT MONEY GAN unlimited c in see of silver.

In view of the unsati-factory attitude of President Harrison to the paramount issue of the remonetization of silver, to is convention will make no nominations for Presidential electors and the State Central Committee to be appointed by this Convention shall have no au-CARSON HAY YARD. thority to put in nomination elec-

The Convention cordially endorses the vigo ous efforts of our Senators and Representatives to secure the free and unlimited coin . age of silver, and the educational work that they have done in presenting the true is-ue between the money powers and the bondholders and laborers and producers of

And we fav r the continuation of agitation and contention for the free and um mited coinage of silver at the present ratio of 16 to 1, for their own benefit and for the benefit of the peorde at large miners, farmers, laborers and me-

chanies. The citizens of Nevada, representatives of the various silver leagues, irrespective of past party affiliations, in convention assembled, do set f rth the following declaration of minciples:

First. We demand the full remonetizatian of silver and the free and unlimited coinage thereof, at the present ratio of 16 to 1.

Second. We are radically and unalterably opposed to the Nationa Republican and Democratic parties on the question of the 'ree coinage of silver and we denounce the action of their recent national conventions as inimical to the material interests of the people of the United States, and especially to those of Nevada and all the other mining st tes and territories, and we therefore repuliate the nominees of their convention.

Third. We pledge the nominees of this convention for Presidential electors to support no man for THE -:- DELTA. President or Vice-President of the United States who is not unequivocally in favor of free coluage as The Best of Wines, Liquors defined by this convention. We reseave to the silver leagues of Nevada, in Convention as-embled, the right of directing said Presidential electors for whom to east their votes, should continuencies GEO, S NIXON. require.
